

Core Midwife – Whanganui Hospital Maternity

Whanganui is a great little city with a strong art and outdoors focus, its well placed to access the sea, mountains, and national parks and is only a few hours' drive from the cultural capital of New Zealand, Wellington. With still reasonably priced houses, great schools and no traffic jams Whanganui is a fantastic place to live and work.

The WDHB is seeking applications from NZ Registered Midwives with some experience to fill a permanent, full time position within our Maternity Department at the Whanganui Hospital. The shifts will be rostered/rotating and on-call.

The successful applicant must:

- Be a NZ Registered Midwife
- Have a current practicing certificate with the Midwifery Council of NZ

We have:

- a high normal birth rate
- a long water birth history
- low intervention rates
- low caesarean rates
- a small, dedicated team
- a great lifestyle away from city-life demands
